From The President's Desk

Dear Fellow Rotarians,

Wishing you all well. I do hope that you all are taking all precautions against the Covid -19. You and your family should stay safe and sound.

We are into the Rotary foundation month -a very important area of focus for all clubs. As you all are aware in 1917 convention, outgoing Rotary President "Arch Klumph" proposed setting up an endowment "for the purpose of doing good in the world". That one idea and an initial contribution of \$26.50 set in the motion a powerful force that has transformed millions of lives around the world. Specially in the present situation of pandemic it is the need of the hour for the Rotarians to help the needy as much as possible. The whole world is going thru a terrible situation people have lost their jobs, Salaries have been reduced and so on - Medical help is most important. Our club has got two global grants - one to help 65 children to undergo heart surgeries - a grant of Rs 99,90,000 and another grant for Rs 65,12,000 to install Heart lung machine. Our three members have contributed in total USD 40000 for above two projects and they are now the Major Donors. In addition our club has also contributed to both polio fund as well as annual fund an amount of Rs 54,500 in total. In addition members have also contributed to make our club 100% PHF. We ofcourse continue to do many of our small projects that we refer them as "PEARLS" most important for any club -to keep helping the community with their Day To Day needs. I am presenting the Bulletin for the month of Nov 2020. Hope you enjoy reading same.

With Rotary Regards

Rtn. Mukta Malhotra
President

Drawing Competition at Arambh Vocational Centre

Rotary Club of Gurgaon Harmony Iberis organised Drawing Competition for the Differently Abled children on 7th November 2020 at Arambh Vocational Centre, Palam Vihar, Gurgaon. It was great to be between children today and see them making drawings theme "Diwali". Smiling faces busy with their colors and drawing sheets. Great skills were at display.

We were all reminded of our school days. It was really enjoyable. This project was full of fun and happiness. President Rtn Mukta Malhotra, Rtn Neera Jolly, Rtn Abdul Aziz Seyid and Rtn Shobha Khatri graced the occasion.

Community Service / Rotary Foundation

Global Grant Project GG-2010991- Heart Surgeries for 65 children. Full funds received for the project.

President Rtn Mukta Malhotra, Rtn Vivek Gour, Rtn Abdul Aziz Seyid visited the Sri Sathya Sai Sanjeevni hospital on 13th November 2020. It was shocking to see small children as young as one month old and above are been operated. For a minute we felt why these small children are been subjected to such an ordeal, Why God these young ones. Sure there is no answer. We must say this hospital is a temple of Love and kindness the way they take care of these poor/ Needy children. Even their Parents who stay with the children get full care not a penny is charged. We feel our club is on the right track to do such Global Grant's.
