I am very happy to welcome you to the new Rotary year. Let us look forward to a year with good fellowship and family get togethers, to get to know each other better.

And, best wishes for a flying start to a year of service. We have already had Cataract Surgeries, Blood Donation Camps, Health talks, and some interesting speakers, like those on Running Restaurants in the Middle East and Water Conservation in Rajasthan.

In addition to continuing these activities, let all the Avenues of Service plan some innovative activities, taking help of experienced Rotarians like our Immediate Past President Raj Kamal ji, Secretary Aziz, our sporty Vice President Mukta and Treasurer Vimal.

I look forward to personally getting to know each one of you better, then see how we can use your support to have a great year and move towards setting up a club which does serious Rotary activities in the months and years ahead.

Regards
