President's Message

Dear Fellow Rotarians,

Rtn Abdul Aziz Seyid
President

An important date in a Club's Rotary Calendar is the Governor's Official Visit (GOV). This visit is usually combined with the Installation of the team for the current Rotary year. Our GOV and Installation ceremony was held on August 14th at our regular meeting venue- Club V. During the GOV, DG Rtn. Anup Mittal met our Board of Directors and reviewed our plans for the year. He reiterated the need for increasing membership in line with RI President Shekhar Mehta's "Each One Bring One" initiative. DG Anup also met Rotaractors and Interactors (with their respective teachers). He emphasized to them, that each of the clubs need to execute at least two projects from Rotary's "Seven Focus Areas".

The Installation ceremony is an enduring ritual in Rotary. With the exchange of collars of the President and Secretary, the new team was formally inducted. A galaxy of Past District Governor's and District Officials, and guests graced the occasion. Our new member, Rtn. Rajeev Bajaj was inducted by DG Anup. Charter Member Certificates were given by PDG Vinay Bhatia to all Charter Members who remain with the Club. Club Membership Certificates were distributed by IPDG Sanjeev Rai Mehra. On a more personal note, DG Anup presented PHFs to my children Zain and Faaiza.

After a hectic evening, the very next morning our members were present at Anand Ashram for flag hoisting on Independence Day. This was followed by tree plantation and distribution of snacks to the residents. Hats off to our committed and dedicated Rotarians!!

On August 12th, prior to the GOV, our Club was recognized by RI President (RIP) Shekhar Mehta with "Recognition for Outstanding Service to The Rotary Foundation Award". The award was presented by RIP Mehta at his "Bon Voyage" event organized by the District. Another feather in our cap for our "Young club".

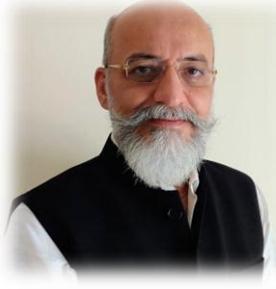

September is "Basic Education and Literacy Month". This is an avenue of service where our club has been very active in the past, and we hope to continue remain engaged this year too.

Abdul Aziz Seyid

President
